For generations, the Crest Tavern has been a place where locals and visitors gather, stories are shared, and traditions live on. Now, we're proud to welcome a new era.

The Barber Family is honored to take the reins of this beloved tavern, bringing fresh energy and thoughtful updates — while staying true to everything you already love. Familiar favorites remain, quality comes first, and the welcoming atmosphere you've always known is here to stay. Consultant Chef Dave Masterson is at the helm of the original kitchen staff, which have been a cornerstone here for decades.

This is a limited menu as improvements are made behind the scenes. New menu releases are rolling out regularly, with a full, expanded menu coming soon. Cheers!
